Make Your Own Bear Ears

1. Ask an adult to cut out a strip of paper that is at least 50 cm long and 5 cm wide.

2. Print out and colour in the Bear ears on this page and ask an adult to cut them out along the white line.

3. Centre the Bear ears on the strip of paper and attach with tape or with glue.

4. Tape or glue the ends of the strip together to fit your head. The Bear ears should face front.

Maze

We’re going on a bear hunt. We’re going to catch a big one.
Can you help the family find their way as they wade through the grass, splash through the river and squelch through the mud in search of a bear?
