The Power of Pictures is a literacy website from CLPE and

children's authors/illustrators. The resources on this site help primary school teachers to develop their understanding of the craft of picture book creation and illustration as a way of raising children's achievement in literacy. On this site you will find specially developed free teaching materials and resources for all age groups as well as short films from children's illustrators. - See more at: <https://www.clpe.org.uk/powerofpictures>

There are author and illustrator interviews, books and teaching aids on a variety of picture books and many other subjects too.
